## WHERE YOU HAVE BEEN

You have put in the hard work to get to this point, establishing a foundation upon which to build a successful future. It is now time to move forward, but which path do you take? In which direction will you find the opportunity that takes you to the next level, providing you with the prospects of continued and sustained career growth?

## WHERE YOU ARE GOING

At Selden Fox, our professionals are exposed to a diverse range of industries providing them the chance to experience a variety of accounting and financial challenges. They are afforded the opportunity to interact with seasoned executives within the firm and with our clients while observing financial processes up close and establishing lasting professional relationships over time. This initial exposure leads to greater responsibility and more opportunities early in one's career, paving the way to career success.

Selden Fox supports your career with an environment that helps you to achieve your career goals, starting with a peer resource mentorship program upon hire to a vast array of benefits to suit your lifestyle to the reasonable work hours and flexible work arrangements you deserve. In fact, through our time bank program, you are the beneficiary of extra time off for any overtime that you work.
