# Greta W. Hanson, CPA

Vice President, Accounting Solutions
hanson@seldenfox.com

Greta Hanson is an accounting solutions vice president at Selden Fox. She works with mid-size privately held businesses as well as nonprofit organizations and government entities taking responsibility for month-end and year-end close, and general ledger maintenance, among other accounting services support.

Greta received her bachelor's degree of business administration in accountancy from Indiana University graduating with high honors. Upon graduation, she began her career with a Big Four accounting firm where she worked for six years before moving to a global manufacturing company serving as a manager in the controller's department. From there, she served as the financial controller for a law firm and provided consulting services to privately held companies.

When she is not working, Greta enjoys spending time with her family, being involved in their activities and volunteering at her church and local nonprofit organizations.
